Life insurance

If something happens to you, life insurance can help your family reduce financial stress.

Life insurance helps protect your family's finances by providing a cash benefit if you pass away. This ensures that they'll be financially supported, and can cover important things from bills to funeral costs. With life policies, you can get affordable life insurance protection for a set period of time.

Who is it for?

Everyone's life insurance needs are different, depending on their family situation. That's why group life insurance through an employer is an easier and more affordable option than individual life insurance.

What does it cover?

Life insurance protects your loved ones by providing a benefit (which is usually tax-exempt) if you pass away.

Why should I consider it?

Life insurance is about more than just covering expenses. Depending on your circumstances, it could take your family years to recover from the loss of your income.

With a life insurance benefit, your family will have extra money to cover mortgage and rent payments, legal or medical fees, childcare, tuition, and any outstanding debts.

Guardian, its subsidiaries, agents, and employees do not provide tax, legal, or accounting advice. Consult your tax, legal, or accounting professional regarding your individual situation.

You will receive these benefits if you meet the conditions listed in the policy.

Preparing and planning

Jorge's never considered purchasing life insurance, but after being offered it through work, he decides it's a smart way to protect his family.

Jorge has a mortgage, and because his wife is helping to take care of her mother, she only works part-time. In addition, his daughter is about to start college.

Jorge looks at how his family would be affected by losing him.

Average funeral cost: **\$9,000**

Average mortgage debt: **\$202,000**

Average cost of college: **\$17,000 - \$44,000**

Average household credit card debt: **\$8,500**

With life insurance, Jorge can make sure that part of these costs are covered if something happens to him.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

Electronic Evidence of Insurability (EOI)

Our online EOI forms are an easier, quicker alternative to traditional paper forms, helping you get covered when you need to provide additional information.

There are a few situations where you need to answer health questions, enroll for higher amounts of coverage, or request coverage after the initial eligibility period. In all of these situations, our online EOI form keeps things simple.

Electronic EOI keeps things simple

With Guardian's electronic EOI forms, your data is kept secure at every stage of the process. And with fewer errors than hand-written forms, and faster submission digitally, it's easier than ever to complete it and get covered.

Electronic EOI can be used for*:

- Basic life
- Voluntary life
- Short term disability
- Long term disability

How it works

You will receive a letter or email from your employer or Guardian with instructions and a unique link to submit your EOI form online.

First register and create an account on Guardian Anytime. Then simply fill out the form, electronically sign it, and click 'Submit'.

Once we receive the form, we'll contact you with any questions, before notifying you (and your employer if the coverage amount changes).

*Applicable to coverage requiring full Evidence of Insurability (not applicable to conditional issue amounts). Electronic EOI is available using most internet browsers.
